## School Management System – Custom-made for Schools

Product Info

**i3Waves** is Inchone’s latest elearning solution for schools of the future. It stands for Web-Accessed Virtual Education Space.

**i3Waves** comprises all key components essential in the current education scene. They include classroom management, learning management, e-Assessment, learning tools, CCA integration and interactive digital media library.

**i3Waves** serves as a gateway for all stakeholders in a student’s education (the student himself, his parents and educators) to collaborate to ensure the student has a rich and fulfilling education experience.

**i3Waves** provides most of the functionalities necessary for the school to operate efficiently in the areas of student information management and instructional management. In addition,

**i3Waves** enhances collaboration through the use of SharePoint server and heighten user experience through other Microsoft technologies such as Silverlight plugin and AJAX.

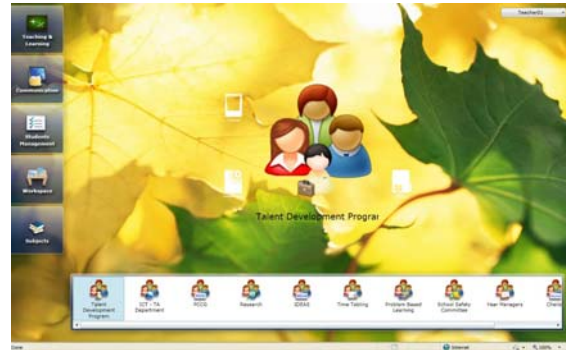

Through best-of-breed technologies, **i3Waves** automates many educators’ routine tasks, thus allowing them to focus on students’ learning.

- Provides a school-based framework for Online Learning
- Enables schools to measure individual, group, class and school performance
- Allow reusability and sharing of lesson materials
- Automation of many manual tasks allow teachers to focus on students’ learning
- Allow collaboration between students, teachers and parents
- 24 X 7 accessibility to the material via standard internet browser

Students can...	Teachers can...	Parents can...
<ul style="list-style-type: none"> <li>• Access his lesson materials from his Subject Centre</li> <li>• Access course material anytime, anywhere</li> <li>• Access quiz</li> <li>• Attempt assessments</li> <li>• View assessment reports</li> <li>• Submit and received graded assignments</li> <li>• View coursework reports</li> <li>• Communicate with instructors &amp; other students</li> <li>• Collaborate with his CCAs online</li> </ul>	<ul style="list-style-type: none"> <li>• Create and deploy lesson plans</li> <li>• Access content from anywhere, anytime</li> <li>• Create question banks assessments</li> <li>• Track student progress</li> <li>• Create assignments for online submission</li> <li>• Create &amp; manage online feedback</li> <li>• Communicate with students, teachers and parents</li> </ul>	<ul style="list-style-type: none"> <li>• View child’s progress</li> <li>• View child’s discipline records</li> <li>• View child’s time-table and lesson plans</li> <li>• Know if the child is not submitting their assignments</li> <li>• Receive announcements from school</li> <li>• Receive and Submit Consent forms</li> <li>• Updated report on child’s performance</li> </ul>
